## Let's Expand Our Mosque !!!

**In order to achieve this noble mission we have engaged in :**

### **JUNE UPDATES**

- 1) The IFN team, visited the now almost complete Darussalam Foundation addition project. There were conceptual similarities with the IFN addition which were beneficial observation.
- 2) A Sound system / IT consultant attended to provide an in depth idea to the construction committee on issues related to a good sound system facility wide. He is an expert from Philadelphia who may bid for the IFN project.
- 3) MEP Consultant's contract has been signed and brought on board.

4) A structural consultant has not yet been signed. Additional structural consultant fee quotes were obtained by the committee members to ascertain the general fee range of a structural consultant. A decision has been made as to who should be the structural engineering firm involved in the IFN project. Other consultants are being discussed and will be brought on board towards the project to proceed.

5) The IFN project is in DD (Design Development phase). The Base drawings are being worked on. All consultants will be signed in with their contracts. All consultants will provide their technical input into the design.

*Stay Positive*

*Stay Safe*
